Denmark State Bank Announces New Locations

DENMARK, Wis. (August 16, 2016) – To further enhance our growth in the greater Green Bay market, Scot Thompson, CEO of Denmark State Bank, is proud to announce two new Denmark State Bank branch locations in the Town of Lawrence and Howard. The new locations are anticipated to open in early 2017. The Lawrence branch will be located at the corner of Mid Valley Drive and Scheuring Road and in Howard at the corner of Velp and Glendale Avenues. In addition to our existing branch locations in Denmark, Bellevue, Reedsville and Whitelaw, our new locations will better serve our customers throughout Northeast Wisconsin by offering improved customer access to our products and services and room for expected growth.

Thompson further expressed his enthusiasm about the new locations stating, “We’re proud of our history and commitment to serving local communities since 1909. Over the years, our customer base has expanded as individuals sought opportunities to work, open businesses and raise their families throughout the area. Our new locations will allow us to serve the greater Green Bay area by placing a branch within 10 minutes of nearly every household and most will be much closer.” For more information about our new locations, visit denmarkstate.com or call 920-863-2161.

About Denmark State Bank

Denmark State Bank is an independent community bank that offers four full service banking offices in the Villages of Denmark, Bellevue, Reedsville and Whitelaw serving primarily Brown, Kewaunee, Manitowoc and Outagamie Counties. Denmark State Bank offers a wide variety of financial products and services including loans, deposits, mortgage banking, and investment services.
