Denmark State Bank named one of the Top 200 Healthiest Banks in America

DENMARK, Wis. (August 24, 2016) – Denmark State Bank is proud to be named one of the Top 200 Healthiest Banks in America by DepositAccounts.com, one of the largest and most comprehensive online resources dedicated to depository savings information for consumers. “We are honored to receive this recognition from an unbiased source that tracks rates and conducts product analysis not only for community banks like us, but from national and regional banks as well,” said Steve Arps, Senior Vice President - Retail Banking.

DepositAccounts.com evaluates the financial health of over 6100 federally insured banks in the United States. Each institution is graded on a number of factors, including capitalization, deposit growth and loan to reserve ratios to determine an overall comprehensive health. Based on exceptional fiduciary responsibility, Denmark State Bank received a final ranking of 179 and an overall health score of A+ and is among only 9 banks in Wisconsin to receive this recognition.
